CHAPTER-1

1.1 INTRODUCTION:

In India, Technical Education is imparted generally at three levels i.e. ITI, DIPLOMA and DEGREE in a massive scale. Some pass out graduates are also prosecuting Post-Graduate courses and undertaking Research work. Diploma level institutions play a vital role in producing Diploma holders in various fields of Engineering & Technology, Pharmacy, Architecture, and Medical related Diploma courses. These Diploma pass outs render their services in the capacity of skilled technicians, supervisors and middle level technical trained man-power as per the need of Industries/ Govt. Dept./ Public Sectors undertakings/ Defense/ Railways and all other sectors. Due to rapid industrial growth in the sector like Steel, Sponge Iron, Power, Aluminum, IT etc. by leading Private sectors like Arceller Mittal Group, Jindal, Vedanta, ESSAR STEEL etc. in addition to capacity expansion of existing public sector units like RSP, NALCO, NTPC, IB VALLEY PROJECT etc., Odisha is becoming an industrial hub in the Eastern Zone. Seeing this high potential of employment for Diploma holders large number of institutes were established as per norms and standards of AICTE and approved by the AICTE / State Govt. and affiliated to SCTE&VT, Odisha, Bhubaneswar. As per the AICTE approval for 2025-26 academic session, there were 162 Polytechnics (35 Govt./ Govt. Aided +127 Private) in the State with approved intake of about 61,725 (including supernumerary seats) in different disciplines of Engineering, Non-Engineering courses. The Govt. is very keen to expand polytechnic education and to produce quality technician manpower through polytechnics in the State. An integrated approach for Technical Education has been adopted i.e. provision for admission of ITI pass out to 3rdSemester Diploma and Polytechnic pass out to 3rdSemester Degree Engineering made under lateral entry scheme.

1.2 ADMINISTRATION AND CERTIFICATION:

The Government Polytechnics of the State are under the administrative control of the **Directorate of Technical Education & Training (DTE&T), Odisha, Cuttack**, under the Department of Skill Development and Technical Education, Government of Odisha, Bhubaneswar. **IGIT, Sarang& ITT, Choudwar** are fully aided Polytechnics managed by Registered Societies. All the Diploma Courses of the State are affiliated to the **State Council for Technical Education & Vocational Training (SCTE&VT), Odisha**. Semester Examination is conducted at the end of each semester. Diploma is awarded after passing the final examination conducted by the SCTE&VT, Odisha.

1.3 TRAINING AND PLACEMENT:

In order to facilitate recruitment of the final year / pass out students in different Industries/ Organizations through off campus/ in campus, Training & Placement Cell has been established in each Diploma Institute. **Central Placement Cell (CPC)** has been functioning since 2014 under the direct supervision of the Directorate of Technical Education & Training, Odisha for conducting recruitments centrally. Besides getting placement in various Central/ State Govt. Departments/ Defence / Paramilitary forces, our Polytechnic students are continuously getting employed with attractive packages in the industries/ organization like **TPCODL, Odisha, Maruti Suzuki India Limited, Arceller Mittal Nippon Steel India, Adani solar Pvt. Ltd., Jubilant Food work Ltd., Subros Noida Ltd., Ceat Tyre Pvt. Ltd, Tata Electronics Pvt., Ltd, Hosur, Hindustan Cocacola Beverages Pvt. Ltd, Saint Gobain Glass PVT. Ltd., Chennai, Philips Machine Tools India Pvt. Ltd., Maharastra, JSW Steel Coated products Ltd., Maharashtra, MRF Tyre Ltd, Rashmi Metaliks, Kharagpur, ATC Tyres Pvt.Ltd.AP (Yokohama Tyres) etc.**The provision of one-year Post Diploma Apprenticeship Training by Board of Practical Training (ER), Government of India is optional for the pass out students.

1.4 CURRICULAR DEVELOPMENT ACTIVITIES:

Constant Endeavour is being made to update the syllabus as per the need of the industry and advancement of the technology. Seminar and co-curricular activities are regularly conducted among the students for an all-round development of future technicians. It ensures a fundamental and common approach to equip future technicians to face the emerging challenges of Industries in particular & society in general and at the same time provides uniform basic knowledge and skill competencies relevant to service Industries, Engineering and Technology with vertical and horizontal mobility of the students for their professional growth. Special emphasis is being given for development of communication skills and personality. Communication Skill Laboratories have been set up in all Govt. Polytechnics. Also to face tough challenges in professional and personal life, Life Skill, Ent. & Mngt and Smart Technology has been introduced as a practical subject in 3rd, 4th, 5th and 6th semester. With a view to inculcate the habit of team spirit, emphasis is being given for Sports and allied activities like NCC, NSS, Short-Term educational tours, sports at institute level, facilities for Volleyball/Football/Cricket/Athletics, etc. Further State level Poly fest is being organized every year for bringing the best potentiality within the students of both Govt and Private Polytechnics in athletics, sports, cultural fields.

Allotment Process of PVTG applicants:

- Particularly Vulnerable Tribal Group applicants will be given preference at the time of allotment in any of the Government Engineering Schools / Polytechnics (14 Districts) in the following manner:
- PVTG applications of an institute (among 14 Districts) will get confirmed admission in the branch out of TFW seats available with the concerned branch of the institute. Confirmed allotment will be available if the choice of the candidate is given in proper order during choice filing. Allotment out of TFW category will be made based on merit of PVTG applicants. After PVTG applicants allotted seats, remaining TFW seats will be allotted among TFW applicants based on their merit. Where PVTG applications exceed the number of TFW seats available, excess (un allotted) PVTG applicants will compete with General (Un-reserved) category and ST applicants.
- Institutions / Courses in which TFW seats are not available, allotment to PVTG applicants will be made out of ST category seats available with the particular Branch of the institute. Where number of PVTG applications exceed nos. of ST seats available with the institute, the excess PVTG applicants will compete with UR categories as applicable. Male PVTG applicants will get allotment out of male ST seats and if male PVTG applicants exceed the male ST seats, then excess PVTG applicants will compete with other categories as applicable. Female PVTG applicants will get allotment out of male and female ST seats of the institute.

NB : Priority of allotment to PVTG applicants out of TFW / ST seats is applicable to Government Engineering Schools / Polytechnics of 14 Districts only which are mapped with 13 PVTG names. Any PVTG applicant can give choice for any branch of any Government Engineering School/ Polytechnic located in these 14 Districts for getting priority during allotment (the choice should be of top order preference). However, if any PVTG applicant desires, can opt for choice filling in any institution as per his/her choice and in rest of the districts he/she will get allotment of seats as available for ST category applicants.

Socially Educationally Backward Community (SEBC):

- Candidates belonging to SEBC reserved category shall furnish original Caste Certificate in the prescribed format of the Revenue Department, Govt. of Odisha **from** the competent authority not below the rank of Tahsildar at the time of reporting at the institution.

7.5 SELECTION PROCEDURE:

During the academic session 2026-27, online selection process will be implemented for Diploma Admission as per the following:

- a) Admission into various courses shall be done strictly on merit basis.
- b) Preference wise choices will be captured at the time of submission of application.
- c) **Effective Mark** for NCC and Sports category candidates will be calculated as mark secured in the qualifying examination out of the total mark **plus** weightage, as applicable, limited to 100%. For other categories, the **Effective Mark** will be the mark secured in the qualifying examination out of total mark.
- d) The **effective mark** and **reservation** (if applicable) will be taken into consideration while preparing the merit list. For reservation and weightage please refer to Clause No.7.3.
- e) Applicants who are allotted their First Choice in the First Round must pay the Part Admission Fee online through the SAMS Portal. After successful payment, they must download the allotment letter and report to the allotted institution on the specified date. Failure to report within the reporting period (as mentioned in the allotment letter or on the SAMS Portal) will result in forfeiture of the seat, with no further claims entertained. Furthermore, if an UR (Unreserved) category applicant with eligibility for TFW (Tuition Fee Waiver) or EWS (Economically Weaker Section) is initially allotted an UR seat, and a TFW/EWS seat becomes available in a later round, the applicant may be reconsidered for TFW/EWS allotment—provided they have not reported / opted to freeze the earlier UR allotment, and have instead chosen to wait for possible up-gradation to a higher preference in subsequent rounds.
- f) Applicants who are allotted a seat other than their First Choice in the First Round may choose to Freeze (Lock) the allotted seat. To do so, they must log in using their credentials, make the Part Admission Fee payment through the SAMS Portal, and upon successful payment, they will have the option to select the “FREEZE” option to lock their current allotment. Alternatively, they may skip the freeze and wait for possible up-gradation to a higher preference in subsequent rounds.
- g) Applicants who are allotted their First Choice or have opted to FREEZE a seat other than the First Choice must report to the allotted institution on the specified date for admission. Failure to report within the given timeline will result in cancellation of the allotment, and no further claims will be entertained. However, this rule does not apply to UR (Unreserved) category applicants who selected TFW (Tuition Fee Waiver) or EWS (Economically Weaker Section) in the CAF and did not freeze their UR allotment seat. They can still wait for a better option in the next rounds.
- h) Applicants who have taken admission in the 1st or 2nd Round of Selection will not be eligible to participate in any subsequent round(s) of admission. Eligibility to participate in the subsequent

rounds of admission is subject to the approval of the Chairman, DAC 2026. The modalities for Spot Round admission, if conducted for the academic session 2026-27, will be made available on the official website prior to the commencement of the Spot Admission process.

- i) Selection will be done as per the merit for the following categories.
- **“S” Domicile:**
 - All qualifying candidates seeking admission to Diploma Engineering/Technology courses as available for admission.
 - Candidates qualifying under each of the reservation category.
 - Lateral admission for ITI / +2 Vocational candidates.

SPEED POST

Subject: Revised procedure for students to file online Anti Ragging Affidavit.

Dear Madam/Sir,

As you are aware, in pursuance to the Judgment of the Hon'ble Supreme Court of India dated 8.5.2009 in Civil Appeal No. 887/2009, the UGC notified "Regulations on Curbing the Menace of Ragging in Higher Educational Institutions, 2009" and in compliance of the 2nd Amendment in UGC Regulations, it is compulsory for each student and his/her parent/Guardian to submit an online undertaking each academic year at either of the two designated web sites, namely, **www.antiragging.in** and **www.amanmovement.org**.

As part of UGC's initiative towards reduction of compliance burden of its stakeholders, UGC has revised the procedure for students to file online Anti Ragging Affidavit.

The revised procedure is as follows:

Step 1: A student will submit his/her details on the same web sites (**www.antiragging.in** and **www.amanmovement.org**) as before; read and confirm that he/she and his/her parents/Guardians have read and understood the regulations on curbing the menace of ragging. He/She will confirm & agree that he/she will not engage in ragging in any form. (Step 1 is the same like before).

Step 2: The student will receive an E MAIL with his/her registration number and a web link. The student will forward the link to the E mail of the Nodal officer in his/her university/college. **(Please note that the student will not receive pdf affidavits and he/she is not required to print & sign it as used to be the case earlier).**

Step 3: The Nodal Officer in the university/college can click on the link of any forwarded e mails that he/she will receive from any student of his/her college to get the list of those students who have submitted Anti Ragging Affidavits/Undertakings in his/her college. The list will be updated every 24 hours.

CONTINUATION SHEET

-02-

Universities and Colleges are requested to insert **a mandatory column** in your university/colleges admission form as per the given format:

Anti Ragging Undertaking Reference no:	<input type="text"/>
--	----------------------

You are also requested to display the email address and contact number of the Nodal Officer of Anti Ragging of your university/college in your website and campus areas like Admission Centre, Departments, Library, Canteen, Hostel, and Common facilities etc. to create awareness about the revised procedure for students to file online Anti Ragging Affidavit.

In addition to this, you are also requested to create E-admission booklet or brochure, E-leaflets giving details on guidance in case of ragging to admitted students instead of print/hard copy.

With kind regards,

Yours sincerely,

(Rajnish Jain)

SOP FOR MOBILE NUMBER CHANGE AT GOVERNMENT ENGINEERING SCHOOLS / POLYTECHNICS

Application submission & Verification:

Applicants who wish to change their registered mobile number need to submit a written application addressing to the Principal of the approaching institute (nearby Government Polytechnic/Engineering School).

The written application needs to be supported with self-attested xerox copy of Aadhar Card & HSC certificate.

The Admission Officer of the concerned Govt. Polytechnic/ Engineering School will take steps for change of mobile number. The genuineness of the candidate approaching for change of mobile number will be verified. If the Admission Officer is satisfied with the claim of the candidate, then will take further steps for change of the mobile number. At the time of change of mobile number, photo with time and date stamp (geo tagged) of the candidate will be taken and may be uploaded in the SAMS portal (depending upon the availability of option) or else shall be kept for future reference.

Change of Mobile number will be allowed only if the details of the applicant desires to change the mobile number match with the CAF details reflected on SAMS portal against that particular number. In case of any deviation ,change of mobile number won't be allowed. Concerned institutions are to ensure the same and will be held responsible for any wrong editing of the details.

Notification:

The applicant will be notified via SMS on their previous mobile number (if reachable) & Current Mobile no. regarding the successful change of mobile number.

Confirmation:

The applicant will receive a confirmation message on their new mobile number confirming the successful update of their mobile number.

Acknowledgement:

The applicant is advised to keep the updated mobile number safe and secure for further communication.

Record Keeping:

Record of mobile number change request along with the updated details is to be maintained by the admission section of concerned Engineering School/Polytechnic for future reference. For this purpose, a register shall be maintained where daily updates need to be made for all cases, recommended as well as not recommended.

Note:

- The entire process should adhere to the guidelines and regulations set forth for the Government Polytechnics/ Engineering Schools and should prioritize data security and confidentiality.
- Where the institution feels that the application for change of mobile number is genuine and if it is changed, no other candidate shall be affected, then the mobile number may be changed. In all other cases, where there is any doubt, the details may be mailed to dacdtet2024@gmail.com . While sending mail, Government Engineering Schools / Polytechnics shall attach scanned copy of all documents as submitted by the candidates.
- In no case, the CAF details of other candidates be deleted, edited or altered in any manner.
